## Article numbers for Pre-Fitted M-Trays

### Universal M-Trays 850 x 470 mm (capacity is 10 - 20 % lower than the one of dedicated trays)

31288 M-Tray universal

78114 M-Tray with "Sticky Stuff"

### Dedicated M-Trays 850 x 470 mm

31293 M-Tray with 197 x 25 mL steel clamps for Erlenmeyer

31298 M-Tray with 131 x 50 mL steel clamps for Erlenmeyer

31290 M-Tray with 91 x 100 mL steel clamps for Erlenmeyer

31294 M-Tray with 48 x 250 mL steel clamps for Erlenmeyer

31295 M-Tray with 43 x 300 mL steel clamps for Erlenmeyer

31299 M-Tray with 31 x 500 mL steel clamps for Erlenmeyer

31291 M-Tray with 19 x 1000 mL steel clamps for Erlenmeyer

31292 M-Tray with 13 x 2000 mL steel clamps for Erlenmeyer

31296 M-Tray with 9 x 3000 mL steel clamps for Erlenmeyer

31297 M-Tray with 8 x 4000 mL steel clamps for Erlenmeyer

31300 M-Tray with 6 x 5000 mL steel clamps for Erlenmeyer

31304 M-Tray for 21 Microtiter plates, straight

31305 M-Tray for 21 Microtiter plates, angled

31302<sup>1</sup> M-Tray for Microtiter plates (three layers) and Deep-Well plates (two layers)

62396<sup>2</sup> M-Tray for three layers of Microtiter or Deep-Well plates

31493<sup>2</sup> M-Tray for four layers of Microtiter plates

27297<sup>2</sup> M-Tray for 144 Microtiter plates

31396 Holder for three Microtiter plates, straight

31393 Holder for three Microtiter plates, angled

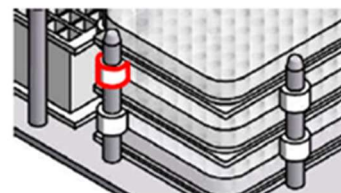

31319 M-Tray with 8 fixing bars

31318 Fixing bar for M-Tray, one piece

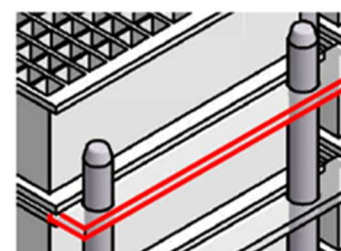

68692 M-tray with 3x Microtiter boxes

70085 M-tray with 1x Microtiter box

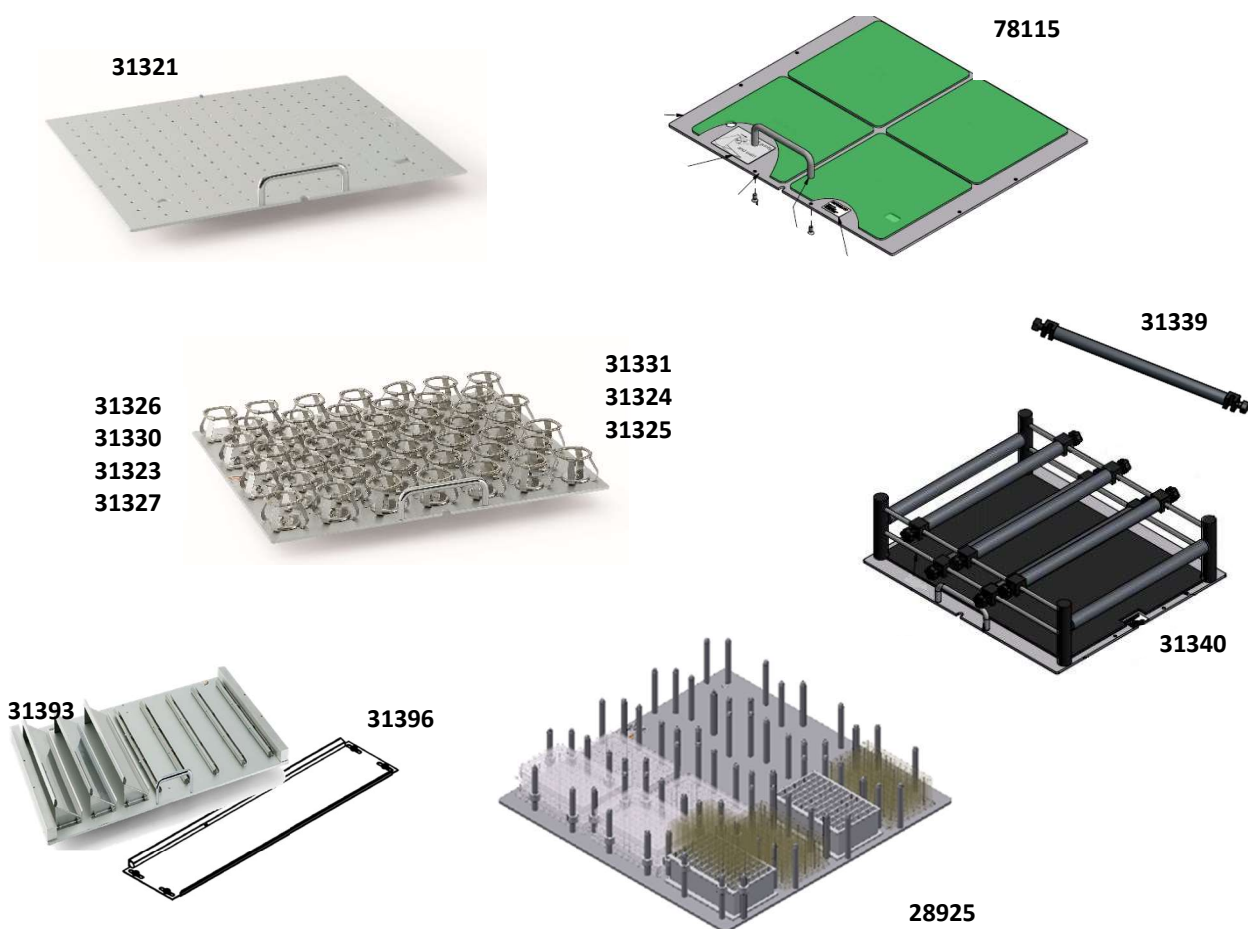

<sup>1</sup> **Ring-Spacers:** Plastic rings (thickness 10 mm) between the plates for improved gas transfer. Removal of single plates and mixing of different types of plates possible.

<sup>2</sup> **Quickload-Spacers:** Plastic strips (4 mm thickness) between the plates for improved gas transfer. Removal of plates only in whole layers. Mixing of Microtiter and Deep well plates not possible.

## Pre-Fitted N-Trays for Minitron and Orbitron

### Article numbers for Pre-Fitted N-Trays

#### Universal N-Trays 480 x 420 mm (capacity is 10 - 20 % lower than the one of dedicated trays)

31321 N-Tray universal

78115 N-Tray with "Sticky Stuff"

#### Dedicated N-Trays 480 x 420 mm

31326 N-Tray with 105 x 25 mL steel clamps for Erlenmeyer

31330 N-Tray with 69 x 50 mL steel clamps for Erlenmeyer

31323 N-Tray with 46 x 100 mL steel clamps for Erlenmeyer

31327 N-Tray with 25 x 250 mL steel clamps for Erlenmeyer

31331 N-Tray with 15 x 500 mL steel clamps for Erlenmeyer

31324 N-Tray with 10 x 1000 mL steel clamps for Erlenmeyer

31325 N-Tray with 6 x 2000 mL steel clamps for Erlenmeyer

31333 N-Tray for 12 Microtiter plates, straight

28925<sup>1</sup> N-Tray for Microtiter plates (three layers) and Deep-Well plates (two layers)

31396 Holder for three Microtiter plates, straight

**31393** Holder for three Microtiter plates, angled

**31340** N-Tray with 5 fixing bars

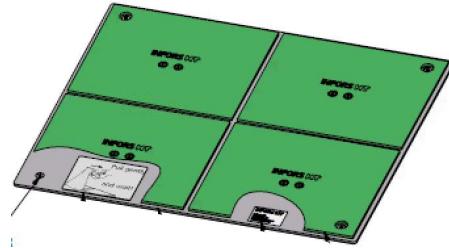

**31339** Fixing bar for N-Tray, one piece

## Pre-Fitted W-Trays for Celltron

70310

78116

## Article numbers for Pre-Fitted W-Trays

Universal W-Trays 370 x 300 mm (capacity is 10 - 20 % lower than the one of dedicated trays)

70310 W-Tray universal

78116 W-Tray with "Sticky Stuff"

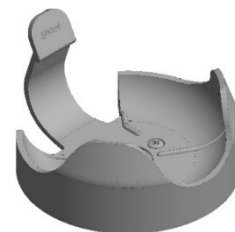

## "Sticky Stuff" and Clamps

**78113**

**31274**      **31272**  
**31279**      **31273**  
**31271**      **31277**  
**31275**      **31278**  
**31280**      **31281**

**31285**  
**31287**

## Article numbers for "Sticky Stuff" and Clamps

### "Sticky Stuff"

**78113** "Sticky Stuff" 200 x 200 x 3 mm

### Steel clamps for Erlenmeyer flasks

**31274** Steel clamp for 25 mL Erlenmeyer flask  
**31279** Steel clamp for 50 mL Erlenmeyer flask  
**31271** Steel clamp for 100 mL Erlenmeyer flask  
**31275** Steel clamp for 250 mL Erlenmeyer flask  
**31280** Steel clamp for 500 mL Erlenmeyer flask  
**31272** Steel clamp for 1000 mL Erlenmeyer flask  
**31273** Steel clamp for 2000 mL Erlenmeyer flask  
**31277** Steel clamp for 3000 mL Erlenmeyer flask  
**31278** Steel clamp for 4000 mL Erlenmeyer flask  
**31281** Steel clamp for 5000 mL Erlenmeyer flask

### Plastic clamps for Erlenmeyer flasks

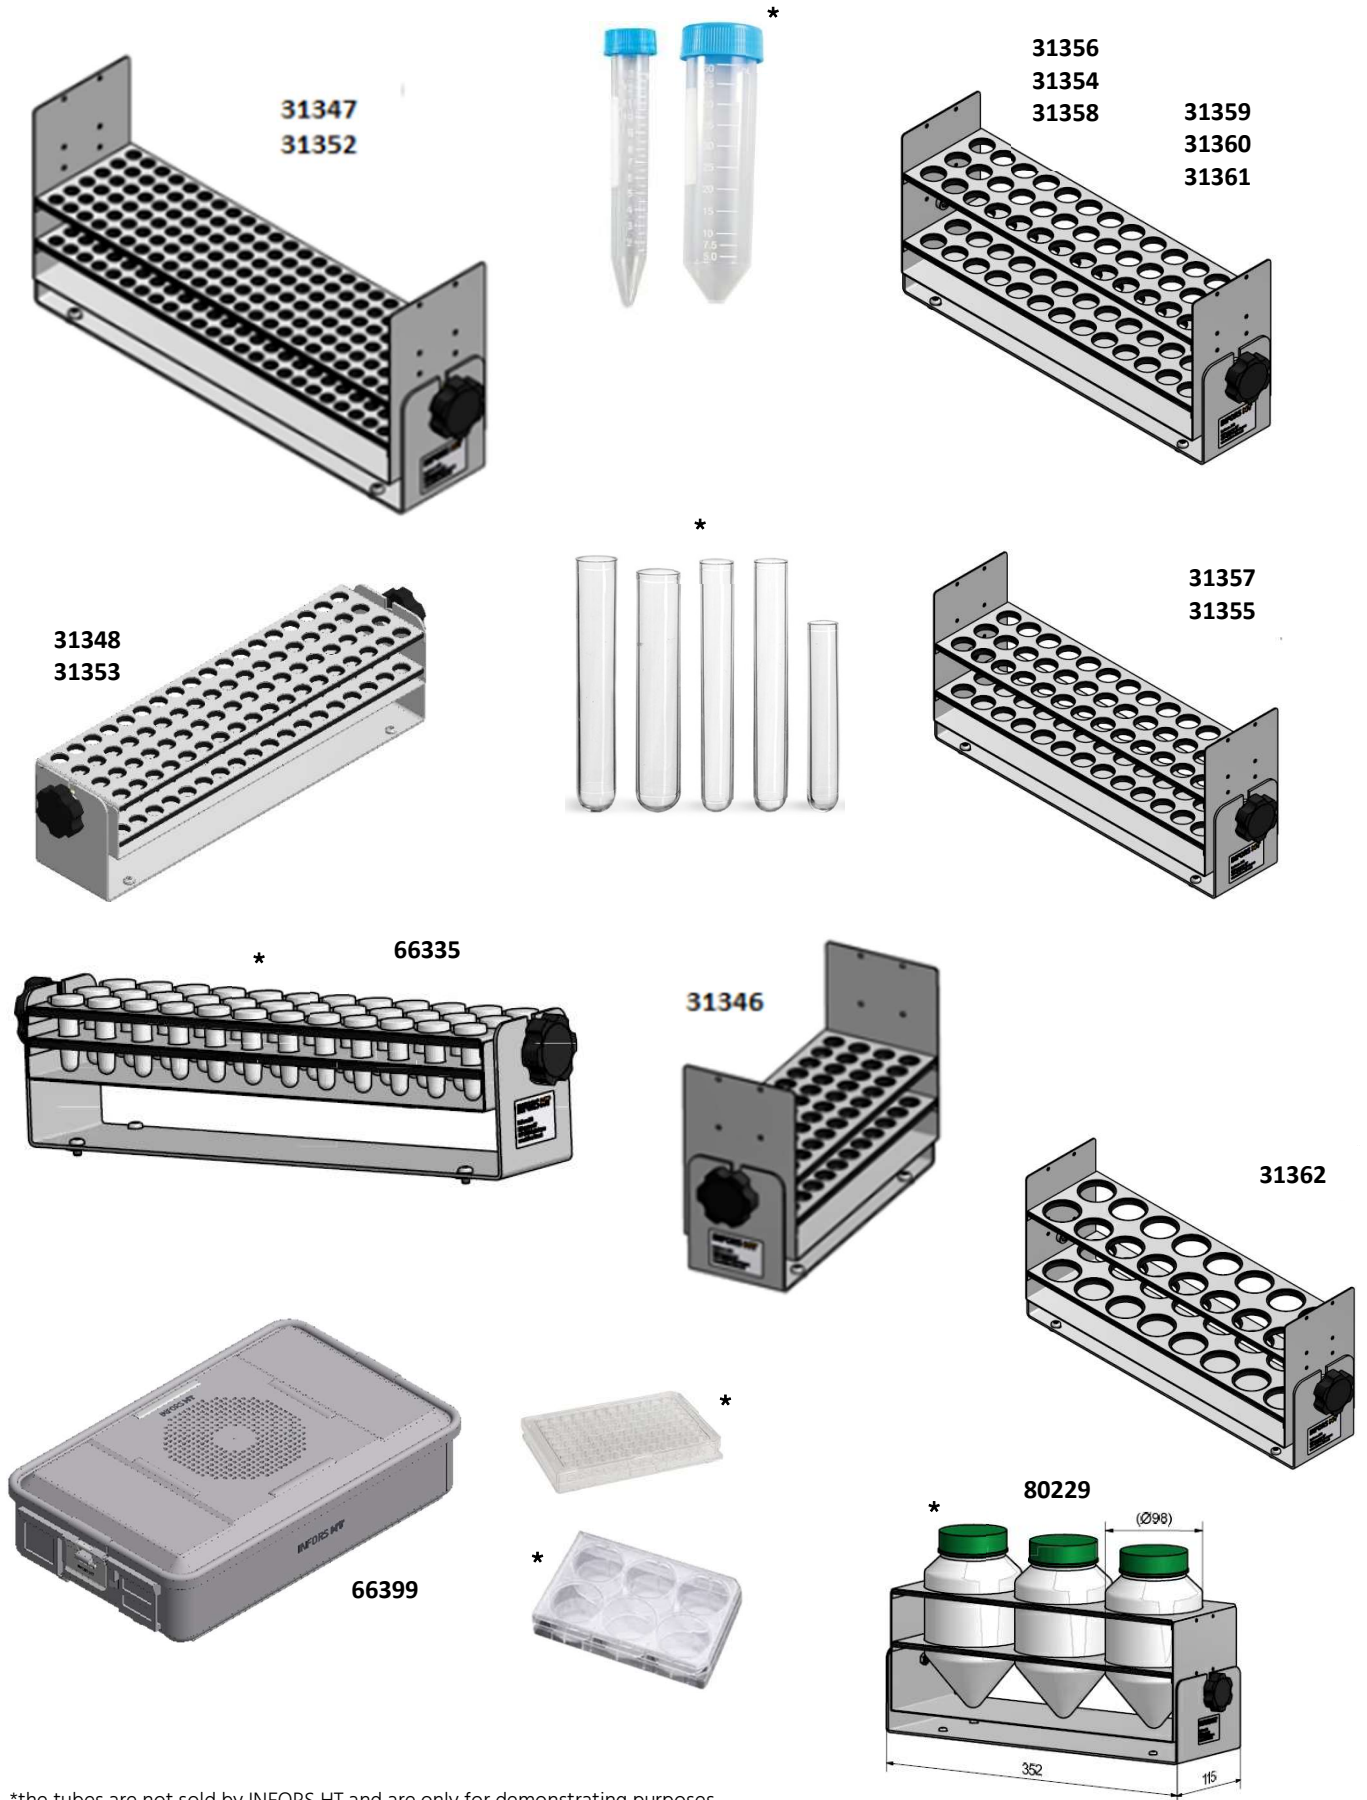

**31285** Plastic clamp for 100 mL Erlenmeyer flask  
**31287** Plastic clamp for 500 mL Erlenmeyer flask

### Steel clamps for Fernbach flasks

**31283** Steel clamp for 1800 mL Fernbach flask  
**31284** Steel clamp for 2800 mL Fernbach flask

# Test-tube holders

\*the tubes are not sold by INFORS HT and are only for demonstrating purposes.

## Article numbers for Test-tube holders

### Holders for long test tubes

- 31347 Holder for long test tubes Ø 12 mm, 72 positions
- 31352 Holder for long test tubes Ø 14 mm, 64 positions
- 31354 Holder for long test tubes Ø 16 mm, 36 positions
- 31356 Holder for long test tubes Ø 18 mm, 39 positions
- 31358 Holder for long test tubes Ø 20 mm, 36 positions
- 31359 Holder for long test tubes Ø 22 mm, 33 positions
- 31360 Holder for long test tubes Ø 25 mm, 20 positions
- 31361 Holder for long test tubes Ø 30 mm, 16 positions

### Holders for short test tubes

- 31348 Holder for short test tubes Ø 12 mm, 72 positions
- 31353 Holder for short test tubes Ø 14 mm, 64 positions
- 31355 Holder for short test tubes Ø 16 mm, 36 positions
- 31357 Holder for short test tubes Ø 18 mm, 39 positions

### Holders for plastic tubes

- 31362 Holder for centrifuge tubes Ø 30 mm, 16 positions
- 66335 Test tubes holder Eppendorf 1.5 mL, 36 positions
- 80229 Holder for 600 mL culture tubes, 3 positions

### Short holder for test tubes 187 mm

- 31346 Short holder for test tubes Ø 18 mm, 24 positions

### Box for Microtiter plates

- 66399 Box for Microtiter plates

Replacement filters can be obtained from lab suppliers:

Whatman qualitative filter papers, grade 1, 185 mm, 100 pieces, VWR Art.-Nr.: 512-1007

USA/Canada: Cole Parmer; Whatman 1442-185 42 Ashless Quantitative Filter Paper, 2.5µm, 18.5 cm; 100/Box
